RCR agrees to provide services selected above on page 1. Owner desires to enter a contract with RCR for such services. Therefore, the Parties agree as follows:

Frozen Semen/Embryo Storage Contract

A. Authority and Responsibility

The individual signing this Contract represents and warrants that they are either the lawful owner of the frozen semen or embryo or have full authority to act as the owner's agent. The signatory assumes full financial responsibility for all charges and agrees to indemnify, defend, and hold harmless RCR from any claims arising from or related to this Contract, including any claim regarding a lack of authority. All references to the "Semen/Embryo Owner" apply to both the signatory and the actual owner of the semen or embryo.

B. Storage

RCR agrees to store frozen semen or embryos for reproductive use and long-term storage.

C. Storage Fees

Beginning on the date of frozen material arrival, a full month of storage fees will be applied to Owner from that date to the end of the month. Billing will then occur monthly for storage. If payments are not made after three billing cycles, RCR will send a certified letter. If the account remains unpaid 30 days after that notice, the frozen material may be destroyed, regardless of whether the letter was received.

D. Delinquency Policy

Accounts delinquent more than twice in one year may result in contract termination. RCR reserves the right to adjust pricing with written notice.

E. Shipping Costs

All costs for shipment to/from RCR, including shipping and return freight, are the responsibility of the Semen/Embryo Owner. Insurance is not provided by RCR and must be arranged through the carrier.

F. Care of Materials

RCR agrees to store materials using industry-standard practices. However, the Semen/Embryo Owner assumes full risk for any loss, damage, or degradation for any reason, and releases RCR from any liability.

G. Health Recommendations

RCR recommends EVA testing and annual vaccination for all stallions. The stallion owner is responsible for associated fees.

Frozen Semen/Embryo Storage Contract

H. Removal of Frozen Material

Full payment must be made before frozen materials are released. At least one week's advance notice is required for shipment arrangements. Transportation must occur Monday–Friday, between 8:00 a.m. and 4:30 p.m.

I. Shipping Liability

RCR will package materials carefully, but assumes no responsibility for delays or condition of contents after shipment.

J. Billing and Late Fees

Frozen material will not be released without sufficient notice and full payment. Any balance unpaid after 30 days will incur a \$25 handling fee and 1.5% monthly interest. RCR may suspend service on delinquent accounts and pursue all collection costs, including legal fees. The Semen/Embryo Owner acknowledges a lien in favor of RCR on stored material as security for unpaid charges.

K. Insurance

RCR does not insure stored frozen semen or embryos. The owner is solely responsible for arranging any desired insurance coverage.

L. Transfer of Ownership

This Contract is non-transferable. Upon sale of the stored material, any unpaid balances are immediately due. No refunds will be issued.

M. Termination

RCR may terminate this Contract with 10 days' written notice. Services may also be discontinued at RCR's discretion.

N. Compliance with Laws

Each party agrees to follow all applicable local, state, and federal laws and regulations. This Contract shall be governed by the laws of the State of New York, and any legal action must be filed in the appropriate court in Saratoga County. The Semen/Embryo Owner authorizes RCR to execute required documentation for brand inspection or transport as necessary.

Frozen Semen/Embryo Storage Contract

O. Default

Failure to make payment within 30 days or comply with any contract term after written notice shall constitute default. RCR may terminate the Contract and seek all available remedies. Jurisdiction for disputes shall lie exclusively in the courts of Saratoga County, New York.

P. Entire Agreement

This document constitutes the full agreement between the parties. No services or terms outside this agreement will be provided unless in writing and signed by both parties.

By signing below, I acknowledge and agree to comply with the terms and conditions stated above. Further, I authorize RCR to act as temporary agent on my behalf should the Donor Mare, her foal and/or pregnant Recipient Mare require emergency medical or surgical treatment. This Agreement may be executed electronically or by scanned copies. Such signatures shall be deemed valid and enforceable.
